Herbert Wertheim School of Public Health,
University of California San Diego, La Jolla, CA

ACADEMIC APPOINTMENTS

University of California San Diego, Herbert Wertheim School of Public Health and Human Longevity Science	La Jolla, CA
<i>Assistant Professor (Tenure-Track)</i>	August 2026 – Present

EDUCATION

Brown University, School of Public Health	Providence, RI
Ph.D., Health Services Research (Concentration: Health Economics)	2026
Cornell University, Joan & Sanford I. Weill Medical College	New York, NY
M.S., Health Policy & Economics	2021
Ewha Womans University	Seoul, South Korea
M.S.W., Social Welfare Policy	2010
Hankuk University of Foreign Studies	Seoul, South Korea
B.A., Russian	2008

PROFESSIONAL EXPERIENCE

Brown University School of Public Health	Providence, RI
<i>PhD Admissions Committee</i>	October 2025 – June 2026
interRAI	Ontario, Canada
<i>Trainee of the interRAI network international data and methods program (inSPIRe)</i>	July 2024
Brown University School of Public Health	Providence, RI
<i>Research Assistant</i>	September 2022 – June 2026
Brown University School of Public Health	Providence, RI
<i>Student Ambassador</i>	September 2023 – July 2025
Cornell University, Joan & Sanford I. Weill Medical College	New York, NY
<i>Research Assistant</i>	September 2019 – May 2021
National Health Insurance Service (NHIS)	South Korea
Long-Term Care (LTC) Reimbursement and Utilization Division	May 2021 – June 2026
<i>Research Analyst, Project Manager</i>	
Conducted analyses for an initiative to restructure the national LTC insurance system in Korea in cooperation with the Ministry of Health and Welfare.	
National Health Insurance Service (NHIS)	South Korea
LTC Claims Review Division	August 2016 – September 2019
<i>Project Manager</i>	
- Published the first compendium of reports on “<i>The Changing History of Long-term Care Policy Norms for Inspection (2008-2018)</i>” for the division in charge of reimbursement and inspections, resulting in the second edition. Additionally, I published the first manual on computer software for NHIS fraud investigators. - Built a software package for automated detection of fraudulent claims and calculation of expected recovery amounts. It reduced the mean time spent on recovery amount calculation from two days to two hours. - Led an independent internal research project on “<i>Fraud Investigation Policy in Five Countries: Korea, the United States, the United Kingdom, Germany, and Japan</i>” which resulted in meetings with U.S. officials in Washington, D.C. and New York City. - Led a Korean delegation to the United States for meetings with the Department of Health and Human Services and the Department of Justice to discuss LTC fraud investigation systems. - Represented the LTC division at the NHIS’ annual policy forum in 2017 and 2018.	

National Health Insurance Service (NHIS)

LTC Field Office in Seoul

Care Manager

South Korea

May 2014 – July 2016

- Examined physical and cognitive status of beneficiaries over 65 years old and assigned a care grade for services covered by the national LTC insurance plan.
- Monitored the quality of care received by 60 beneficiaries and ensured that proper services were provided based on their physical and cognitive status.
- Conducted inspections of LTC facilities for compliance with federal regulations.

Korean Society for the Rehabilitation of Persons with Disabilities

Program Manager

South Korea

January 2010 – May 2014

- Coordinated research on national policy for persons with disabilities and organized an annual policy conference (Rehabilitation International, RI Korea) consisting of researchers and government officials.
- Evaluated the impact of the government's National 5-Year Plan for the Welfare of Disabled People, which was the first policy initiative of its kind for the private sector in South Korea. Organized a press conference at the National Assembly after the evaluation was completed; results were featured in major news outlets.
- Led an *Emergency Help 911* program for people with disabilities and urgent financial/health crisis. Initiated a scholarship/mentorship program *Dream School* for adolescents with disabilities.

Sakha Korean School of the Russian Federation

Russia

September 2005 – August 2006

AWARDS

ASHEcon Diversity Scholarship. American Society of Health Economists.	2025
Nora Kahn Piore Award. Health Services Research Award. Brown School of Public Health.	2023
Award for Academic Excellence. Weill Cornell Medicine, Cornell University.	2021
Best Capstone Presentation. Weill Cornell Medicine, Cornell University.	2020
Presidential Scholarship. Hankuk University of Foreign Studies.	2007
Distinction Scholarship. Hankuk University of Foreign Studies.	2007
Distinction Scholarship. Hankuk University of Foreign Studies.	2005
Extramural Scholarship. Hankuk University of Foreign Studies.	2004
Distinction Scholarship. Hankuk University of Foreign Studies.	2004
Distinction Scholarship. Hankuk University of Foreign Studies.	2003

RESEARCH FUNDING

Title: Estimating the Effects of Medicare Advantage on the Health of Aging Population in Nursing Homes

Role: Principal Investigator

Funder: NIA (F99/K00)

Project Period: October 2025 – June 2029

Title: Hospital-to-SNF Transitions of Care in Patients with End-Stage Kidney Disease.

Role: Co-Investigator (September 2026 – August 2030)

Funder: NDDK (R01)

Project Period: September 2025 – August 2030

PROFESSIONAL ACTIVITIES

AD HOC REVIEWER

BMC Infectious Disease, BMC Geriatrics, BMC Nursing, BMC Health Services Research, JAMDA: The Journal of Post-Acute and Long-Term Care Medical Association, Nursing Open

MEMBERSHIPS/ACTIVITIES

AcademyHealth Member, Abstract Reviewer	2022-Present
Gerontological Society of America Member, Abstract Reviewer	2022-Present
American Society of Health Economics Member, Abstract Reviewer	2023-Present

TEACHING/MENTORING ACTIVITIES

Guest Lecturer Weill Medical College, Cornell University, Introduction to US Healthcare Policy & Delivery (HPEC 5001/9001), “Managed Care”	2025
Instructor Brown University School of Public Health. STATA Boot Camp for PhD Students (a department sponsored program to teach incoming and current PhD students basic and intermediate STATA skills)	2023-2024
Teaching Assistant Brown University School of Public Health, Medicare – A Data Based Policy Examination (PHP2410E; PhD course; intensive weekly coding assignments using Medicare claims and an applied policy analysis as a final paper; TA evaluation score 4.7/5.0)	2024
Teaching Assistant Brown University School of Public Health, Introduction to Health Policy Analysis (PHP2411; MPH course; examined the empirical basis for numerous Medicare financing policies and quality regulations with extensive class discussions and data assignments; TA evaluation score 5.0/5.0)	2023

SKILLS

- Statistical/Analytic Software:
 - Stata, SAS, R, Treeage Pro, Atlas.ti, and Tableau
 - SAS Certified Specialist: Base Programming Using SAS 9.4
- Languages: Korean (native), English (fluent), and Russian (fluent)
- Certified Social Worker (Top Level; November 2011, South Korea)
- Art Therapy Counselor (July 2012, South Korea)
